Dear Mr. Russo:

Enclosed is your permit to operate the above referenced children's camp. Note that operation beyond the expiration date of the permit requires prior approval from this office. This permit is valid from **July 7, 2016 through August 13, 2016** and is issued with the following conditions:

1. This permit is granted subject to any and all applicable State, Local and Municipal Laws, Ordinances, Rules and Regulations.
2. The Validity of this permit is contingent upon compliance with Section 57 of the New York State Worker's Compensation Law.
3. Camp is to follow the safety plan guidelines for all out of camp trips, especially those for Zoom Flume regarding swimming restrictions.
4. All camp trips must be accompanied by a qualified Trip Leader.
5. There must always be on-site the health director or an approved on site health director designee.
6. A bacteriological water sample must be taken each month you operate with the test results submitted to this department within ten days of the respective reporting period. Nitrate samples must be taken yearly.
7. Camp must maintain a 0.2ppm chlorine residual at all times.

Please note that all staff are required to be aware of their responsibilities under the camp's safety, fire safety and medical plans. Documentation of staff and camper training must be available for review during an inspection.

Also remember the need to screen all staff through the state *Sex Offender Registry* and have this information available for review during an inspection.

Feel free to contact our office if there are any questions concerning your permit or with the operation of the children's camp in general.

Very truly yours,
